Advantage Custom Fixtures ABOUT US

Advantage Custom Fixtures is a manufacturer of quality OEM refrigerated and non-refrigerated custom fixtures for the supermarket industry.

For produce, cheese/deli, floral, and specialty needs, we have the technology and expertise to build each fixture to high quality standards and with your specific requirements in mind. Advantage Custom Fixtures has over 100 years of collective experience in display manufacturing and design. We incorporate 3D modeling and CNC processing to create displays that will suit your application in function and form.

It is our goal to provide you with a specialized product that both satisfies your custom needs and exceeds your expectations.

Thank you for considering Advantage Custom Fixtures as your quality fixture provider.

Sincerely,

Glenn M. Viaes

Director of Business Development
